

www.garageking.com.au

GarageKing offers the solution that you need to create storage within the unused areas of your home with an extremely versatile wall system that is high in quality as well as being extremely affordable.

This unique modular steel system has been designed to suit each individual need allowing you to utilise every aspect of your wasted space.

GarageKing has been developing for over 45 years in Australia to ensure we have the best possible product for you.

It is manufactured in 1.2mm mild steel with all components powder coated in a Hammer tone texture giving it added durability and resistance to normal wear and tear, as well as an attractive and modern look.

The garage is often the forgotten room but with GarageKing you can turn it into a storage haven and at the same time add value onto your home.

Versatility, Flexibility and Quality were all things that GarageKing kept in mind during the design process allowing ease to you.

GarageKing has a very easy installation process and all products and accessories then 'clip' into place, which also allows them to be re-arranged with your changing needs.

GarageKing has a diverse range of accessories covering a wide variety of uses, you name it, GarageKing can store it!

Accessories range from Cupboards, Shelves, Shoe & Wine Racks to Bike Racks, Stainless Steel Work Benches, Fishing Rod Holders, Baskets, Hooks and more.

There is no doubt that with the help of GarageKing you will be the envy of all your neighbours.

Becomes Storage*

Accessories

Shoe Rack (GK059 / GK085)

The Shoe Rack is available in 900mm and 600mm widths. The 900mm holds 9 pairs of shoes and the 600mm holds 6 pairs.

Wine Rack (GK056 / GK057)

Have you got a prized bottle you want to keep safe and near? The Wine Rack is available in 900mm and 600mm widths. The 900mm holds up to 10 bottles and the 600mm up to 6 bottles, with the bottles being stored horizontally.

Wire Basket (GK079 / GK080)

The Wire Basket is available in 900mm and 600mm widths and is a generous 350mm deep and 250mm high. There are so many storage solutions for the wire basket, you can keep the sporting equipment off the ground, gardening equipment, fishing tackle and toys just to name a few!

Cordless Drill Holder (GK111)

Combine with our blue plastic bins
for your battery and charger

Timber Stacker (GK120)

Get it up high and out of the way -
great for planks, ladders and other
long items that would otherwise take
up valuable floor space

Kayak Hook

The heavy duty Kayak Hook allows
you to store those bulkier items off
the ground, not only limited to
kayaks

Wire Bike Rack (GK082)

The Bike Rack is the perfect space saver, simply place the front wheel into the rack and enjoy the floor space.

Bike Hook

Our bike hook mounts to the wall panels, letting you store your bike vertically, usually by hanging it from the front wheel.

Fishing Rod Holder (GK083/GK084)

Our Fishing Rod Holder allows the fisherman to put his most prized possessions on display. It is available in 900mm and 600mm widths. The 900mm version can hold up to 8 rods and the 600mm can hold up to 5.

Screwdriver Holder (GK038)

The Screwdriver Holder can hold up to 6 of your favourite flat or philips head screwdrivers, as well as chisels.

Garden Hose/Lead Holder (GK081)

The Hose/Lead Holder is not limited to just hoses and leads, although it is perfect for keeping them neat, tidy and off the ground, but it is also perfect for storing other things like ladders.

Universal Double Hooks (GK077/ GK078)

250mm and 140mm. They have a wide range of uses and are perfect for storing brooms, hammers, mops and shovels.

Golf Bag Holder (GK121)

When you're not working on your handicap, this will keep your gear in order.

Blue Bins (GK086 / GK090)

The blue plastic bins are available in 5 different sizes and are perfect for keeping those items off your bench and out of your way

Pier Bay (GK083/GK084)

The Pier Bay's are available in 450mm and 600mm widths allowing you to cover your piers while still taking advantage of the storage solutions

Brush Cutter Bracket (GK108)

Line trimmers, blowers, whipper snippers and brush cutters - this will keep them out of your way.

Hammer Bracket (GK109)

A hammer is not just a hammer - it's a mallet, or a ball peen or a claw hammer. If you know the difference, you'll want this.

Shovel/Rake Bracket (GK110)

Store them all with this bracket - no more tangling or falling over.

Installation

GarageKing also offer full service installation in partnership with licensed and experienced tradesmen. We guarantee our work and ensure you are happy with our new system.

We can help you with design and how to utilise a difficult space. We can also provide custom products to suit your specific need.
